Every exhibitor receives **4 free badges per 12 sq. m.**

**All prices are VAT exclusive!**

**⚠** They are available during the build-up period at the exhibitors' desk at the entrance of Hall 5, **provided when all invoices are paid.**

**Digital badges:** If you have a lot of staff working at the fair, it could be useful to apply for digital badges. These will be sent to you before the fair and they will grant your booth staff access the fair, only the first time they enter. The following days, they need to use the classic pins. This will avoid you to go to the entrance each time one of your colleagues wants to enter the fair. If you are interested in these digital badges, you can ask them via [brusselsholidayfair@fisa.be](mailto:brusselsholidayfair@fisa.be). (Attention: the badges will only be sent per e-mail when all invoices are paid).
