Regulations to access the parking lots of BRUSSELS EXPO.

1. Every vehicle that is parked on the site of BRUSSELS EXPO during the full period of the Brussels Holiday Fair (construction and demolishing period included), needs to own a valid parking card. This card needs to be placed on a visible place behind de windshield of the vehicle.
2. Every vehicle which doesn't own a valid parking card, will be towed on the account of the owner.
3. The owner/driver of the vehicle commits itself to adhere to the recommended hours that are indicated on the valid parking card gained at the OC of FISA OPERATIONS nv.
4. All fields of the parking card need to be filled in correctly and well readable, with valid and accurate information.
5. Every violation of these regulations (including specific mentions of hours) will lead to the immediate withdrawal of the parking card (applied to all cards).
6. The parking card is only valid for one vehicle.
7. BRUSSELS EXPO reserves the right to remove your vehicle when it is parked incorrect in case the free access of emergency services is blocked or in case the mentioned hours on the parking card are not complied.

REFRIDGERATED VEHICLE CARD(S)	..... card(s) x € 20 = € .....
-------------------------------	--------------------------------

The OC will handle the allocation.

All prices are VAT exclusive!

The OC will communicate the location at which you will be allowed to park.
